Principal’s message

Last week the community received some dreadful news about one of their own. The staff at Kempsey South would like to send their condolences to the family and friends of Roslyn Moseley (Lottie). Lottie touched the heart of everyone she met and will be greatly missed by everyone.

Car park
Once again I would like to remind parents and carers about the dangers of parking in the Staff car park and out on the grass. Please help us keep our children safe by parking on the road.

Circus Oz
24 Students in years 4/5/6 will be participating in a 3 day workshop with the team from Circus Oz. They will be involved in a variety of dances, balancing activities, gymastics and team building exercise. We would like to thank Kempsey Shire Council and Red Cross for giving our students the opportunity to work with the team and to Melville High School who loaned us the gymnastic equipment.

Innovative afternoons
For the next 5 weeks students on a Thursday afternoon will be involved in a number of activities. These include boy’s and girl’s shed, painting, dance group, Netball, Touch Football, Soccer and many more. Some of these groups will be training and practicing for events that will occur later in the year. Students will choose another activity next term. This allows them to try and learn new skills that they may not already have.

A reminder to parents to notify the school about your child’s health

We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Kind Regards
Sharyn Blackwell

Treat of the week

The simplest way
...to serve dinner in a flash.

A stir fry is a quick and easy dinner, perfect on school nights for busy families.

And it includes a range of colourful, healthy vegetables.

Pick and choose your favourite combination of sliced fresh veg – capsicum, zucchini, sugar snap peas, green beans, bok choy, celery, mushroom, onion, carrot and cabbage work well. Go vegetarian, or add sliced lean chicken, pork or beef.

Mix 2 tsp reduced salt soy sauce, 1 tbsp honey, 3 tbsp water and 2 tsp cornflour in a jug for the sauce.

Prepare noodles according to packet directions.

Cook veg in a hot pan or wok, add sauce and stir to thicken. Remove from heat and serve over noodles.
